“ *My condolences to the family you are in my prayers, Mrs. Roberta you got your wings and now you get to rest with the rest of the family, Eddie will be so glad to go fishing with you again. I can say I truly enjoyed the time that I spent with you and the family. I use to stop by just to talk and you were always the same to me even when I was not with Nig. Family stay strong because she will be looking over you'll. Love Ruby Smith*

“ *Mommy, I'm truly going to miss our rides, our talks, helping you in your flower beds, you showing me how to prepare a certain meal! This one here, was truly a shocker, especially when we thought your days of recovery were going so well! I'm truly going to miss all the mornings when I pass by your room to check in on you and ask you, "Okay, what do you want for breakfast, your coffee and bacon?" I love you and I'll see you again!*
