“ Mr. Shoto you will always have a special place in my heart. You are one of the kindest people I have ever met. You said I was like a daughter to you, but trust me you were like a father to me as well. Coaching me on growing my tomatoes, okra, strawberries...to almost convincing me to get a few chickens...I'm gonna miss you. "To be absent from the body is to present with the Lord" Rest In Peace until we meet again.

“ *Uncle Roger will truly be missed by all. I always loved his honesty. He would tell you the unfiltered truth and somehow you would just have to laugh. A gifted talent for building fences, hunting (better than his brothers), and a whole list of other skills will truly be missed. As I am saddened by his death, I will remember the many times he made me laugh.*
