Tribute Wall

“ *If you would have waited on me to come with you when you recieved the phone call that had you get up from laying in bed with me talking with me.I feel like things maybe could have been different than what you told me and detectives happened to you were sitting up talking*

were laying in bed waiting ambula0

Lauren Lasley - December 25, 2018 at 03:35 PM

“ *I miss you Brent my days are filled of thoughts of you and the 15 years of everyday of you and I being together...I have been told in time things will get easier I dont see that happening it seems that things are getting harder being without you I don't know how to go foward without you....every minute of the day thoughts of you are only of you... Im so sorry for not taking you out of Mississippi to another hospital for treatment on your heart if only you would have waited on me to go with you when you left p*
