ME

“ I had the privilege to be one of Ms. Rosa's dialysis nurses. She was a joy to know and take care of always asking and telling me to take pictures of me, my daughter and my boyfriend. She always was giving me advice on different matters in life. She will be terribly missed by all. I got to go see her last week and I really feel that she knew my presence was there. I love you, Miss Rosa you will always have a special place in my heart.
