“Cousin, I have no words!! I'm missing you and our conversations. Marvin and I will never forget the good time we had on Thanksgiving 2021.

You and Tricia treated us to that nice Mexican restaurant. The good times we had when I moved to Gary Indiana before going to the military.

I would clean your room and you and Cedric would come right behind me and mess it back up.

All the good times you had with my brother(RIH). You two had so much in common. The life of the party, down to earth and genuine. Now you two are looking down on us.

I remember while in Gary Indiana, we went out to eat pizza and I came back to the house and threw it all up. You and Cedric got such a kick out of that.

Gone too soon, cousin!!! I want to ask God... why but it is all in his plan.

Pasadena is not going to be the same without your presence.

Rest easy cuz, Marvin and Monica Johnson
