“ Terrance your presence will truly be missed. He was always checking in with his cousin Chris. They became really close over the last couple of years. Chris would ask Terrance to bring him a plate from Minyonia's house, and sometimes Terrance would go by Big Apples Inn to take him some smokes to Vicksburg. Terrance was a good guy who made time for others when he could. I appreciate the time God gave us to be around each other, even if it was just for a little while. He will always be remembered, loved and never forgotten.
