“ *My heart literally broke when I received the news today. My dear, sweet friend is gone and it seems too hard to believe. I met Troy in 1994 and my life was changed by our friendship. We worked together and within weeks, I felt a deep kinship with this man that radiates joy and kindness. We would sit in my office and talk about anything and everything. He was such a wonderful, genuine man. He would do anything for anyone and had a heart of gold. I remember when he told me he was leaving Florida and moving back to Mississippi. I was so sad but I knew he missed his home and family. I promised him that I would keep in touch and that we did. Two years ago I got to see after 20 years. I am so glad I did. This world has lost a great man. I know he is even heaven right now. I love you, Troy and I will see you again in a better place and time. Sabrina.*

“ *Walter and the Stewart Family send our sincere condolences to the Rouson Family. Troy was a great Man, Father and Friend. He loved his children. We co-founded the Gospel group Unforbidden which included his children, my children and his nephew. He loved these children and did everything he could to promote and encourage them. I could not ask for a better partner and friend. Troy you will be truly missed.*
