

Mrs. Valerie Devon Booker

September 16, 1967 - November 10, 2023

Valerie Booker was born to the late M. L. Puckett and Peggy Smith in Forest, MS on September 16, 1967. She was the second child born out of five, but the oldest girl.

Her siblings in order from oldest to youngest were Charles Smith, Nap, Angela Smith (Bonner), Kimberly Smith (Yancy), and Urias Smith.

Valerie believed in her heart Jehovah is the creator of all things. As a young girl “nap” attended the Kingdom Hall with her mother and siblings. That’s where she found peace. Her heart was pure and true to that. She attended Jackson Public Schools where she thrived.

On August 5, 1983 she gave birth to her first born daughter Sharries Smith (Brittian). Soon after that, she bore a daughter Michella Renee Smith who later passed. She had four more children, all boys Apollos Smith, Derrick (Hannah) Smith, Jeremy Smith, and Lorenzo (Amber) Smith.

On August 10, 1991 she married Derrick Booker in Jackson, Ms and they were married 32 years and have been together 38 years. She was a very peaceful family driven person, who had a big heart. But don’t let the look fool you though, she gave you what you were looking for if she was pushed to it. She took care of lots of people and loved children. She took many children under her wing and helped raise them. That’s who she was, she asked no questions she would just say “come on”. She worked extremely hard to provide for her family. She worked as an insurance broker and a certified nurses assistant.

She completed her journey here on November 10, 2023. She leaves behind her husband, 5 children, and 6 grandchildren. She will be missed by ALL her family and was the light of our lives.

Thanks to family and friends for loving her while she was here
